Voith DIWA Transmission Training 2019/2020 Training Pricing—Notes

VOITH

- B.** Customer will need to provide a bus.
- S.** Please contact the Voith Training Department, VTI-RoadService@voith.com for more information.
- D.** Classes are presented on Monday, Tuesday, Wednesday, and/or Thursday during **dayshift** only.
- T.** Customer will need to supply a clean transmission and tooling. Please note, this class is not intended to overhaul your transmission, but it is designed to teach the students how to perform an overhaul.
 - 1. See tooling list in subsequent slides.
 - 2. If needed, a transmission can be shipped for an additional charge.
- P.** The online Prerequisite Course, **Introduction to DIWA**, is recommended prior to attending the Overhaul Course.
- F.** Classes are delivered Monday through Thursday, or Tuesday through Friday.

NOTE: Voith will not be responsible for travel costs incurred by attendees (travel, lodging, food, etc.). There will be a charge of \$500.00 US dollars for each student above the maximum limit. All prices and schedules are subject to change without notice. All prices are in U.S. dollars. Travel outside of the Contiguous USA (48 states) will result in additional charges. The classes listed above are not for warranty training.

Voith DIWA Transmission Training Train the Trainer (TtT) Certification Requirements 2019/2020

Voith DIWA Transmission Training Train the Trainer (TtT) Certification Requirements

To become a Voith Certified Trainer (VCT):

1. Observe at least two Overhaul and Fault Finding (OHFF) classes in York or other location.
2. Participate with the Voith Technical Trainer in at least one OHFF in York or another location.
3. Present on your own at least one OHFF class for Voith trainer observation in York or another location.
4. Participate in train the trainer regional conference every 2 years.
5. Upon completion of the training requirements, access will be granted to training materials.

Note: The fee for this training does not cover the travel expenses for the prospective VCT. Voith is not responsible for VCT travel expenses.
